Teachers are designers. An essential act of our profession is the crafting of curriculum and learning experiences.

Understanding by Design
Wiggins & McTighe

This 4 part workshop series is an extension to the successful Designs 2010 series, and open to all North Vancouver School District teachers.

Participants will work in grade (elementary) or subject area (secondary) teams to develop Understanding by Design teaching units. The series will focus on curriculum design for deep learning, a core component of Personalized Learning for the 21st Century.

Experienced teachers and those new to UbD will grow professionally and establish important collegial connections through the Designs 2011 series.

Series Details

January 10 • January 24 • February 7 • February 21
All sessions will run 4:00-5:30 p.m. at the LMCC
